

	A	B	C	D	E
1	Recommended List of Evergreen Trees and Shrubs				
2	Notes: Heights and Widths Vary from Tree to Tree				
3					
4	<u>Common Name</u>	<u>Botanical Name</u>	<u>Mature Height</u>	<u>Potential Canopy or Spread</u>	<u>Note</u>
5					
6	Incensecedar	Calocedrus decurrens	30-50 ft high	8-10 ft wide	Columnar form; grows wild
7	Deodar Cedar	Cedrus deodara	40-70 ft high	30-40 ft wide	Heat & drought tolerant
8	Cedar of Lebanon	Cedrus libani var. stenocoma; var. brevifolia; var. libani	40-60 ft high	50-70 ft wide	Grows larger in the west
9	Arizona Cypress (Smooth Cypress)	Cupressa arizonica, var. glabra 'Blue Ice'	40-50 ft high	25-30 ft wide	Bluish green foliage;
10	Leyland Cypress	x Cupressocyparis leylandii	60-70 ft high	6 - 12 ft wide	Columnar form; blue fast growth (up to 3 ft per year); several cultivars available
11	American Holly	Ilex opaca	15-40 ft high	Varied widths	Pyramid form; needs to produce berries; sensitive to salt
12	Foster's Holly	Ilex x attenuata 'Foster #2'	15-25+ ft high	12-15 ft wide	Pyramid/upright form
13	Sky Pencil Holly	Ilex crenata 'Sky Pencil'	8-12 ft high	12-18 inches wide	Narrow, upright form; black fruit; can grow in shade
14	Dwarf Burford Holly	Ilex cornuta "Burford: Nana"	5-6 ft high	6 ft wide	Dark green foliage; not tolerant of salt
15	Yaupon Holly	Ilex vomitoria	3-20 ft high	3-20 ft wide	Dwarf sizes to small trees; planted where protected from sun; many cultivars available
16	Chinese Juniper, upright	Juniperus chinensis	NTE 30 ft high	< 10 ft wide	Good landscape tree
17	Chinese Juniper	Juniperus chinensis, 'Keteleeri'	NTE 30 ft high	< 10 ft wide	Bagworm resistant

	A	B	C	D	E
4	<u>Common Name</u>	<u>Botanical Name</u>	<u>Mature Height</u>	<u>Potential Canopy or Spread</u>	<u>Note</u>
18	Chinese Juniper	Juniperus chinensis 'Spartan'	NTE 30 ft high	< 10 ft wide	Bagworm resistant
19	Eastern Red Cedar (Red Juniper)	Juniperus virginiana	30-40 ft high; higher in forests	Varied widths	Slow grower
20	Eastern Red Cedar (Red Juniper)	Juniperus virginiana 'Blue Arrow'	30-40 ft high; higher in forests	Narrow, upright form; Varied widths	Slow grower
21	Eastern Red Cedar (Red Juniper)	Juniperus virginiana 'Canaertii'	30-40 ft high; higher in forests	Varied widths	Slow grower
22	Eastern Red Cedar (Red Juniper)	Juniperus virginiana 'Prairie Pillar'	30-40 ft high; higher in forests	Varied widths	Slow grower
23	Eastern Red Cedar (Red Juniper)	Juniperus virginiana 'Taylor'	30-40 ft high; higher in forests	Narrow, upright form; Varied widths	Slow grower
24	Southern Magnolia	Magnolia grandiflora	60-80 ft high	30-50 ft wide	Tolerates some shade
25	Southern Magnolia	Magnolia grandiflora 'Edith Bogue'	60-80 ft high	30-50 ft wide	Columnar-pyramid form
26	Southern Magnolia	Magnolia grandiflora 'Brackens Grown Beauty'	60-80 ft high	30-50 ft wide	Columnar-pyramid form
27	Black Hills Spruce	Picea glauca 'Densata'	30-40 ft high	15-20 ft wide	Needs large planting
28	Loblolly Pine	Pinus taeda	60-90 ft high	Varied widths	Fast grower; gets large
29	Short Leaf Pine (Yellow Pine)	Pinus echinata	80-100 ft high	Varied widths	Drops its lower branches
30	Pinyon Pine	Pinus edulis	20 ft or higher	10-15 ft wide	Needs large planting
31	Ponderosa Pine	Pinus ponderosa	50-100 ft high	25-30 ft wide	Needs large planting to keep small
32	Oriental Arborvitae	Thuja orientalis (aka Platycladus orientalis)	18-25 ft high	10-15 ft wide	Grown as small shrub; cultivars available, good
33	Green Giant Arborvitae	Thuja plicata 'Green Giant'	25-50 ft high	10-15 ft wide	Good ornamental or
